

Wilber Trash Receptacle™

Meet Wilber.
Does your receptacle have a name?

The **Wilber Trash Receptacle™** is commercial-quality, and very durable. Its all steel frame is designed to compliment all of our bench and table products. A perfect all-weather, maintenance-free design with a lid that bolts to the top, and a side-open door that looks. No-one is getting into this receptacle unless you want them to!

Features & Benefits: Maintenance-free. Durable, powder-coated steel makes for a cost effective solution for any park or business.

Specifications: The **Wilber Trash Receptacle™** is made of durable steel. Standard size fits a 22-gallon container. Heavy enough to sit alone, but easily made permanent with minimal fastening. Standard powder-coat colors are below. Most powder-coat colors are available.

Perfect For: Restaurants, general landscaping, common-use areas, parks, country clubs, schools, universities, hotels, recreation centers, theme parks, shopping centers and malls.
